

# BANDIT AUGER SERIES

49" OAL

**NOW YOU KNOW:**  
For over 65 years Pengo has been providing augers for landscape and construction professionals. Providing quality and service you can count on!

**CONNECTIONS**

ROUND **2"**

**AUGER DIAMETERS**

**6" 9" 12"**

**CUT DIAMETER**

CUT DIAMETER IS 1 1/2" LARGER THAN AUGER DIAMETER.

**DRILLING SOIL CONDITIONS:**

Pengo's new Bandit Auger is ideal for dirt and sand applications and for use on smaller carriers with a three-point hitch, such as a tractor. Shortened flight body offers substantial weight reduction, and the double entry flight offers heightened performance. The one-bolt pilot to head to flight connection makes both the head and pilot replaceable items. The Bandit Auger provides big performance in a small package.
